

# THREE FEATHERS ESTATE & VINEYARD

*In the heart of the Chehalem Mountains, at the Northern end of The Willamette Valley, Three Feathers high-elevation vineyards are part of Oregon's most recognized appellation of cool climate wines.*

*Our 155-acre Estate comprises rolling hills from 700 - 1000 ft in elevation which form a natural heat sink, sheltered from winds and capturing summer warmth in its own natural microclimate. Ancient marine soils and respectful farming practices result in rare wines that embody this distinctive region and each growing season.*

*At Three Feathers Estate & Vineyard, we produce handcrafted small-lot wines using only grapes grown on the Estate. Our passion for growing and commitment to authenticity contribute to our mission of creating the best Oregon wines that reflect our terroir.*

## *2022 Pinot Gris*

<b>VARIETAL</b>	100% Pinot Gris
<b>CLONES</b>	152
<b>APPELLATION</b>	Chehalem Mountains - Laurelwood District AVA
<b>VINEYARD</b>	Three Feathers Vineyard
<b>ALCOHOL</b>	12%
<b>HARVEST DATE</b>	October 2022
<b>SUGAR</b>	22 Brix
<b>AGING</b>	6 months in Stainless Steel
<b>PRODUCTION</b>	120 cases

### **AROMAS AND FLAVORS**

*Our 2022 Pinot Gris is light, crisp and mineral with notes of citrus and green apple. Medium-bodied with a light acidity, enjoy this wine on its own or with poultry, seafood, pasta or vegetarian dishes.*

### **THE VINTAGE**

*Picked at its peak and pressed right out of the field, our 2022 Pinot Gris was then aged in stainless steel to offer the best possible opportunity for the fruit to shine.*

*The 2022 growing season was short and cool with a later harvest in October. Wines are necessarily drier, giving our third vintage Pinot Gris a fresh, mineral flavor reminiscent of Sauvignon Blanc.*
